OUR MISSION

The strong influence that ergonomics and the overall quality of the workplace have on employee productivity is now widely recognized and acknowledged. A well-designed workplace not only enhances your company's image by reinforcing its corporate identity but has a highly positive impact on the way people work, both individually and in collaboration. We aim to design intelligent, functional workspaces that encourage success and help people focus on achieving their goals.

OUR VISION

"To be the best Design & Build firm in the Middle East".

Our strong market position is due to ability to meet the customers' requirements in terms of:-

COST: Our products are very competitively priced.

TIME: We are experienced in fast track interior construction and are able to offer a 'Turn Key' package by coordinating between members of a typical construction team, thereby accomplishing timely delivery of the project.

DESIGN: We have an in-house Design Department that can provide custom design solutions to suit all requirements.

QUALITY: We place strong emphasis on the quality of our product / service. We are currently a leading name in the field of Interior Construction and have successfully completed quality projects in across Middle East.

OUR SERVICES

■ Interior Design

Wizard offers a progressive design culture, which aims to not only satisfy clients, but to delight them. The international team strives to create unique, innovative designs mastering line, form and function to ensure top quality cutting edge spaces. They offer concepts, plans and 3D graphics, working with clients to create the perfect atmosphere, aesthetics and beauty.

■ Bill of Estimates

Inaccurate costing can be the Achilles heel of any well-planned development project. For this reason Wizard offers a full Bill of Quantities prepared by specialized estimators based on the approved design. This ensures accurate reliable costings.

■ Project Management

The Wizard Turnkey Project Management team consists of highly competent individuals who specialize in different areas of project management ensuring all facets of the project are optimized and the development process runs smoothly. They offer planning, organizing, procurement and management resources this guarantees maximum efficiencies and makes sure that job stay on track.

■ Joinery

The Wizard Joinery facility allows the creation of flexible and creative products, bringing to life even the most progressive designs. The facility boasts the latest CNC and Automated Process Designs allowing them to produce innovative, high quality products timeously. The Joinery team has been hand picked ensuring the finest craftsmanship on each and every product. The team takes great pride in their work and there is a focus on quality and efficiency. These skilled joiners complete installations worldwide and have an enormous knowledge of their craft delivering only the best.

■ Construction

Our well skilled construction team is proficient in all areas of construction from building, to electrical, to fire protection and so much more. They form part of the project management team ensuring that all areas of the design and completed to the clients standards. The construction team offers the following services: building, dry walling and ceilings, plumbing, electrical, HVAC, steelworks, wall paper, flooring, electric point of sale, kitchen equipment, cold rooms, extraction, fire protection, audio visual installation, sound and security installation, refrigeration, signage and upholstery.

WHY TEAM WIZARD IS YOUR RIGHT CHOICE PARTNER?

Office design that transforms your whole business As the leading office design, fit out, refurbishment and relocation specialist, our mission is to transform your whole business, not just your office. We will change and style your workplace from Simple to Sensational, which raises productivity, and even lowers energy costs. We have single handedly designed and built some of the major corporate offices across different sectors in the Middle East.

What does your perfect office interior look like? We don't know yet. Every business is unique, which is why we come in and watch your company work first. Then, together, we can create the most efficient, inspirational office interior design for your people and your business.

We take care of everything One job, One contact: Everything from workplace appraisals, design to implementation and beyond. We give you your own dedicated Wizard Interiors contact that takes care of the whole job – leaving you free to focus on your business. No random suppliers. No conflicting timelines or fluctuating costs. Everything is under one roof and one budget.

We're 40% faster, 15% cheaper
That's how the Chartered Institute of Building describes our approach to office transformation.

On time, On budget... Perfect
Our Perfect Delivery™ pledge makes us so confident that we'll complete your new office on time and on budget and we'll guarantee it. We have been simply mastering in perfecting the most time-efficient, hassle-free and cost-effective process for office transformation all through these years.

All we have is happy clients
They are the result of an inspirational office and inspirational service. And thankfully, from small independent offices to the largest international organizations, happy clients are all we ever have.
